There are more than 17,800 parking spaces, eight parking garages and 37 surface lots of various sizes and configurations. Our transportation services include a fleet of 35 shuttle buses serving 17 off-campus student residential communities, Central Florida Research Park and the entire UCF campus community.

Parking Services also offers other services, including vehicle jumps and temporary and visitors' parking permits. Students, faculty and staff may purchase regular parking permits online at [www.parking.ucf.edu](http://www.parking.ucf.edu).
