Parking & Transportation Services

PARKING AND TRANSPORTATION SERVICES is responsible for providing and maintaining all parking facilities and transportation services on campus. There are more than 17,800 parking spaces, eight parking garages and 37 surface lots of various sizes and configurations. Our transportation services include a fleet of 36 shuttle buses serving 18 off-campus student residential communities, Central Florida Research Park and the entire UCF campus community.

Parking Services also offers other services, including vehicle jumps and temporary and visitors' parking permits. Students, faculty and staff may purchase regular parking permits online at parking.ucf.edu.

INFORMATION AND POINTERS:

- > **Arrive early:** The most convenient parking spaces fill up early.

> **Carpool:** It saves gas and improves parking availability on campus. To find commute partners, visit <http://zimride.ucf.edu>.

> **Lynx buses:** They are economical and convenient. Call 407-841-8240 for information.

> **Park out/walk in:** It is usually easier and less time consuming to park in an outer lot and walk in.

> **Zipcar:** Pay a monthly fee and/or reserve a car for one hour or up to four days.
<http://zipcar.com/ucf>

> **Parking citations** may be written 24 hours a day, 7 days a week. Fines may be paid online. Citations must be appealed online at parking.ucf.edu.
